Dear Col. Knight

4-10-05

On 4-08-05 with the coordination of Lt. Tim Frith, Troopers Conya Bassett and Dwight Walton brought the F.H.P. Roll Over Vehicle to our Spring Conference in Boca Raton. There were approximately 75 attendees from all over our state. Tprs. Bassett and Walton put on a great demonstration regarding the importance of seat belt usage as well as the proper installation of a child safety seat. The passion and concern that they showed for the tasks assigned to them was evident in the way the demo was presented, even with the time constraints and inclement weather.

After they were finished, at lunch, break and even after the conference was over, I was approached by carriers from 6 different counties who were very impressed with their presentation. Some had seen similar things before but most had no thoughts about the severity or possible consequences of their actions.

We as the state board of the Florida Rural Letter Carriers Association wish to thank Lt. Frith, Tpr. Bassett, Tpr. Walton for their participation in our conference, ~~their willingness to share~~ reflects very well on the Florida Highway Patrol.

Sincerely :

Gary C. Duquette
